**SPEAKER BIO & PRESENTATION DESCRIPTION**

**ANNE M. SCHOENING**

Anne Schoening is an Associate Professor of Nursing at Creighton University College of Nursing in Omaha, Nebraska. She also serves as the Faculty Development Coordinator and Project Director for the College's Dedicated Education Units. Dr. Schoening has over twenty years of experience in obstetric nursing and nursing education. Her research interests include perinatal maternal mental health, the transition experience of new faculty, and the scholarship of teaching and learning. She holds a Bachelor's Degree in Nursing from Clarkson College, a Master's Degree in Nursing from The University of Nebraska Medical Center, and a PhD in Educational Administration from The University of Nebraska-Lincoln. Dr. Schoening has served as past Chair of the Nebraska Section of the Association of Women's Health, Obstetric, and Neonatal Nursing. She currently serves on the Editorial Boards of the Journal of Perinatal and Neonatal Nursing and Nurse Educator.

**SESSION NAME: Concurrent Workshop I: Assessment**

**PRESENTATION TITLE: The Nuts and Bolts of Exam Analysis**

This session answers the question, "What do those exam stats mean anyway?" Participants will review the definitions of common statistical terms used in exam analysis and individual item analysis and will analyze statistical data for selected response items. Discussion will focus on using exam item analysis data as a means for quality improvement and making meaningful decisions about student learning.
