American Physiological Society Operational Guide 2009 Revision

ALPHABETICAL LISTING OF CONTENTS

Animal Usage, Statements on, Appendix C	164
Appendices (B-G).....	160
Awards and Honors	
AAAS Mass Media Science and Engineering Fellowship	139
Bodil Schmidt-Nielsen Distinguished Mentor and Scientist Award	140
Bowditch Lectureship.....	131
Cannon Physiology in Perspective Lectureship	131
Daggs Award	131
David Bruce Undergraduate Research Award	139
Distinguished Lectureship Awards	132
Filley Memorial Awards	134
Guyton Award for Excellence in Integrative Physiology	134
International Early Career Physiologist Travel Award	140
Liaison with Industry Awards	137
Mandel Young Investigator Award	133
Minority Travel Fellowship Awards	138
Perkins Memorial Award	137
Porter Fellowship Award	138
Postdoctoral Fellowship in Physiological Genomics	141
Randall Lecture on Biomedical Ethics	133
Research Career Enhancement Awards	135
Reynolds Award	136
S&R Foundation Ryuji Ueno Award	135
Senior Physiologists Award	137
Teaching Career Enhancement Awards.....	136
tum Suden/Hellebrandt Professional Opportunity Awards	138
Undergraduate Summer Research Fellowship	139
Wang Young Investigator Award	135
Bank Accounts, Authorization to Open, Appendix E.....	175
Books	33
Chapter Guidelines: Chartering and Administration, Appendix F.....	177
Chapters	127
Code of Ethics, Appendix B	160

Committees	94
Animal Care and Experimentation	95
Awards	96
Career Opportunities in Physiology.....	97
Chapter Advisory Committee	98
Committee on Committees	99
Communications	100
Conference Committee	101
Ray G. Daggs	102
Education	103
Finance	104
Society Investments and Statement of Investment Policies	105
International Physiology	110
Joint Program	111
Liaison with Industry	112
Membership	113
Guidelines	113
Evaluation of Applicant's Qualifications.....	115
Nominating	116
Perkins Memorial Fund	117
<i>Physiology</i> Joint Managing Board	126
Porter Physiology Development Program	118
Public Affairs	119
Publications	120
Book Advisory	121
Orr E. Reynolds	122
Section Advisory	122
Senior Physiologists	123
Trainee Advisory	124
Women in Physiology	125
Constitution and Bylaws of the American Physiological Society, Appendix A	150
Groups	56
Guidelines for Interactions Between Society Members and Headquarters Staff, Appendix G	182
Guiding Principles for Research Involving Animal and Human Beings, Appendix C	161
Indemnification	2
Journals	
<i>Advances in Physiology Education</i>	30
<i>American Journal of Physiology</i>	28
<i>Articles in Press</i>	32

<i>Journal of Applied Physiology</i>	31
<i>Journal of Neurophysiology</i>	31
<i>Journal Legacy Content</i>	33
<i>Physiology</i>	32
<i>Physiological Genomics</i>	31
<i>Physiological Reviews</i>	31
<i>Physiology in Medicine</i>	32
<i>The Physiologist</i>	32
Management of the Society	1
Meetings	
Business Meeting	18
Conference Program	21
Council Meetings	16
Experimental Biology Management Agreement	26
Intersociety Meetings	24
Reimbursement Policy	
Council Meetings	17
Other Meetings	18
Spring Scientific Meeting	19
Policy Guiding Payment of Expenses of Symposia Speakers	20
Membership	
Membership Classes—Duties and Privileges	3
Member Class Transfers	7
Suspended Member	7
Dues	8
Expulsion or Disciplinary Action	8
National Headquarters Management	
Director of Communications	149
Director of Finance	143
Director of Government Relations/Public Public	148
Director of Publications	144
Director Education Programs	145
Executive Director	141
Information Services Director	146
Marketing Manager	148
Meetings/Membership Services Manager	147
Officers	
Council	10
Executive Cabinet	11
Immediate Past President	15
Nomination and Election of Officers	12
President	14
President-Elect	15

Representatives to Other Organizations	
Council of Academic Societies	129
FASEB Board	128
FASEB Committees	128
Other Organizations	130
Scientific Misconduct, APS Policy for Dealing with, Appendix D	168
Sections	34
Awards	36
Section Operating Procedures	34
Cardiovascular	39
Cell and Molecular Physiology	41
Central Nervous System	42
Comparative & Evolutionary Physiology	44
Endocrinology and Metabolism	45
Environmental and Exercise Physiology	47
Gastrointestinal and Liver	49
Neural Control and Autonomic Regulation	50
Renal	51
Respiration	53
Teaching of Physiology	54
Water and Electrolyte Homeostasis	54
Society Affiliation	127
Task Forces	57
