

HOTEL ARRANGEMENTS

You Must Make Your Own Hotel Reservations:

You are responsible for making your own hotel arrangements! Instructions for making hotel reservations for EB 2009 are included. Reservations should have been made by **January 15, 2009**. They can be made online by going to <http://www.eb2009.org/HotelInformation.htm> then clicking on "Online Reservations". Before booking, take a look at the hotel location map as well as rates and information.

The APS Headquarters hotel is the Hilton New Orleans Riverside. The events on your schedule will be located there and at the Convention Center, within walking distance to the hotel. There are many other participating EB hotels that are within walking distance to the Convention Center and the Hilton. Please be sure to visit the web site above and choose a hotel that is conveniently located.

Sharing a hotel room is highly recommended! Hotels in New Orleans, as in most convention cities, are expensive. We encourage you to share a room with another RT or with a graduate student from your Research Host's lab to help limit your expenses. Please also keep in mind that you are in a convention city; when walking at night, groups are always safer. An updated list of your fellow RTs is attached to help you contact potential roommates. **Use the listserv...**in the past, RTs have often all selected the same hotel together...lots of fun!

Listserv Address: 2008rts@lists.the-aps.org

You are responsible for deciding how you will handle the charges for your hotel room on your travel expense vouchers with your roommate(s). When you register at the hotel you can ask the front desk if they will split your hotel bill. Most will do so.
