

EB 2009 REGISTRATION

The APS Education Office Will Register You For the Meeting:

Your meeting registration for EB 2009 will be entirely taken care of by APS. There is nothing you need to do to register for this conference.

If a spouse, family member, or other companion is accompanying you to this conference, they will NOT be registered for the conference. They will be invited to the social events, and will probably be able to attend APS activities being held at the New Orleans Hilton. Without a registration badge they most likely will not be able to attend any of the events held at the New Orleans Convention Center. They will definitely NOT be able to visit the Exhibit Hall without a registration badge. This includes the poster sessions. However, the APS may be able to give you a temporary badge to attend poster sessions. Additional information on badges for family members will be provided later.

A preliminary program can be found at <http://www.eb2009.org/ProgramInformation.htm>. This will give you an idea of how a scientific meeting is run, as well as some of the topics that will be covered in this particular meeting.
