Diversity Roundtable Discussion

Wednesday, December 2, 2009 from 12:00 Noon – 1:30 PM in the Merck Board Room
Brown bag lunch; dessert and coffee provided

AGENDA

12:00 Arrival & Introductions

12:10 Topics to Discuss:

- EB 2010 (or 2011): FASEB Society-wide networking event for minority scientists (possibly a breakfast or reception on Sunday or Monday)
- EB 2010 Pocket Guide or Informational Booklet on events for minority scientists: creative advertising, and link on web, 1 page in the program book, and posted on Hotel & Center meter boards
- FASEB Clearinghouse for Minority Programs: Best practices, application information and deadlines, program goals and objectives, and program timeline
- Award/Fellowship Applications: Another roundtable discussion to share application components
- Membership & Tracking: How Societies track members who are minority scientists, i.e., application process and self-identification
- Listservs: How listservs are compiled, recruitment, and restrictions

Thank you for attending! We hope to hold the next roundtable in March 2010.
