The Biology Department at Millersville University of Pennsylvania welcomes applications for a tenure-track faculty position in Human Anatomy & Physiology beginning August 2019. The College of Science and Technology, and its departments, have a demonstrated commitment to diversity and inclusion through various supported programs and activities, as exemplified by Insight Into Diversity’s Inspiring Programs in STEM award for its Biology Mentoring program. Highly regarded for its instructional quality, focus on engaged learning (through undergraduate research, internships, study abroad, living-learning communities and civic and community engagement), and strong commitment to diversity, MU is a learner-focused institution located in historic Lancaster County, known for its excellent schools, vibrant arts community, affordability and proximity to Baltimore, Philadelphia and NYC. MU enrolls about 8,000 undergraduate and graduate students. We seek individuals who embrace our public mission and value exploration, professionalism, integrity and compassion. Information about the program can be found at http://www.millersville.edu/biology/. For complete position description and qualifications, and to apply, go to http://jobs.millersville.edu/postings/6005 and create a faculty application. Full consideration given to completed applications received by October 5, 2018. An EO/AA/ADA Employer.
