

SKIDMORE

C O L L E G E

Visiting Assistant Professor of Health & Human Physiological Sciences

Skidmore College invites applications for a full-time, two-year faculty replacement position in the Health and Human Physiological Sciences Department for the academic years 2018-2019 and 2019-2020. We are particularly interested in candidates from underrepresented backgrounds who can contribute to the diversity and excellence of our academic community and have experience teaching and mentoring a diverse student body.

Qualifications: A Ph.D. is preferred (A.B.D. considered); prior teaching experience is desired. The successful candidate will be able to teach several courses from among the following: human nutrition, exercise testing and prescription, exercise physiology, human anatomy lab, and introduction to public health. Collaborative research opportunities will be available and encouraged. Additional responsibilities may include advising senior thesis projects. The successful candidate will join an energetic and collegial department that is passionate about teaching and deeply engaged with research.

Skidmore is a liberal arts institution of approximately, 2,450 students, with 22% students of color, and 259 full-time faculty members, located in upstate New York. Enthusiasm for teaching a diverse population of students is essential.

Review of applications begins immediately and will continue until the position is filled.
