Faculty Position Announcement

The Department of Physiology and Developmental Biology at Brigham Young university announces the availability of a continuing faculty status track (full-time) faculty position. Review of applications will begin February 1, 2019 and continue until the position is filled. Applicants should have a doctorate or advanced medical degree and postdoctoral experience, with expertise and teaching capability that fit with current department emphases, which include but are not limited to developmental biology, physiology, neuroscience, and biophysics. Candidates must demonstrate a high potential for establishment of an externally funded research program. Candidates may apply online at Y Jobs (https://yjobs.byu.edu). Attach a complete CV, cover letter, and two single page statements describing 1) research and 2) teaching philosophy/interests. Address specific questions to Dr. Paul Reynolds (email: paul_reynolds@byu.edu; Department of Physiology and Developmental Biology, Brigham Young University, 4005 LSB, Provo, UT 84602). Additional information is available at http://pdbio.byu.edu/FacultyPositionAnnouncement.aspx. BYU is an equal employment opportunity employer. Preference is given to qualified members in good standing of the affiliated church, the Church of Jesus Christ of Latter-Day Saints.
