

## **Assistant or Associate Professor, Biomedical Sciences Full Time Academic Appointment – Tenure Track**

### **Summary:**

The Philadelphia College of Osteopathic Medicine (PCOM), Department of Biomedical Sciences, invites applications for a full time academic appointment, tenure track position at the rank of Assistant or Associate Professor.

In this position, based at our Philadelphia, PA campus, you will be instrumental in establishing and conducting an independent extramurally funded research program, aid in course administration and contribute to institutional and departmental governance and service. Applicants at the Associate Professor level are expected to have funding and a recognized reputation of innovative research excellence and productivity. Rank will be commensurate with experience.

### **Requirements:**

- D.O., M.D. or Ph.D. degree in the biological sciences and demonstrated excellence in graduate biomedical education.
- 3 years' experience in teaching any Biomedical Science, however, preference will be given to candidates with expertise in physiology or pathophysiology.
- Bringing innovative approaches into the classroom, and the ability to work collaboratively with other faculty and staff in team taught courses.
- Investigators using state-of-the-art techniques, including animal models, with research programs that leverage molecular and cellular insights to inform physiological and pathophysiological functions, are highly desired.
- Competitive lab space and start-up funds are available.
