

# Professional Skills Training

"I enjoyed every lecture and discussion session. While I received good training from my lab mentor, this course was more useful and practical for me. I learned a lot, about the reviewers point of view from an experienced editor, which is so important. Now I can write in a way that reviewers and editors really like to see."

—Attendee

## WRITING FOR SCIENTIFIC JOURNALS

[the-aps.org/pst/writingworkshop](http://the-aps.org/pst/writingworkshop)

January 10-13, 2019 in Orlando, FL

Work with journal editors and highly-published authors in person to improve your first-author draft manuscript. Learn about the submission process and receive feedback on your draft manuscript.

### Requirements

Must be a graduate student, postdoctoral fellow, or early career investigator who is open to critiques, wants to expand their professional network, and will have a first-author draft manuscript prepared by December 2018.

### Location

Disney's Yacht and Beach Club Resort, Lake Buena Vista, FL

### Registration Fee

\$800 Includes course materials, double-occupancy hotel room, meals, and ground transportation. **Early Bird Registration Rate: \$750 by December 1**

### Registration Policy

Attendees are responsible for reviewing the course materials and requirements ahead of time to assure ability to complete the course work described in the syllabus. For special needs or requests please notify [education@the-aps.org](mailto:education@the-aps.org) prior to the course registration deadline. APS will attempt to honor requests on a case-by-case basis.

- **Minority Travel Fellowships available**
