APS Local Undergraduate Research Awards in Physiology
Frequently Asked Questions

1. **Who can apply for a LURAP?**
   a. Any APS member in good standing with a research showcase event at their home institution.

2. **When is the deadline?**
   a. There is no set deadline. LURAP packages may be requested throughout the year and must be submitted at least four weeks prior to the event.

3. **Who can judge?**
   a. Any APS member in good standing with a research showcase event at their home institution. If you are a graduate student or postdoctoral fellow, you must receive approval from your department first.

4. **Do you have rules regarding conflict of interest?**
   a. Yes. Judges should not judge projects developed by students from their laboratory, members of their families or extended families, or children of their lab group members.

5. **Can I give more than one LURAP at a single event?**
   a. No, only one LURAP may be given at each event. If you have multiple events throughout the year, you may request a separate LURAP for each event.

6. **Can more than one student receive a LURAP?**
   a. No, only one student presenter may receive a LURAP. If there are two student presenters, you must identify only one award recipient.
