

THE AMERICAN PHYSIOLOGICAL SOCIETY *Journal Legacy Content*

The APS Journal Legacy Content is the corpus of 100 years of historical scientific research from the American Physiological Society research journals. This package goes back to the first issue of each of the APS journals including the *American Journal of Physiology*, first published in 1898. The full text scanned images of the printed pages are easily searchable. Downloads quickly in PDF format.

With a one-time fee for perpetual access and no annual maintenance fees, you'll have access to over 3,700 issues from 13 highly cited, peer reviewed research and review journals!

THE APS JOURNAL LEGACY CONTENT INCLUDES:
