

#### **AUTHOR'S CHECKLIST FOR NEW SUBMISSIONS**

You must have:

- read the [instructions for authors](#)
- correct spelling of [contributing authors'](#) names
- correct affiliations and email of all authors
- contribution of each author
- a file that has all the required elements (title page, abstract, text, figure legends, references). Source files for text (DOC or RTF) and figure files (PDF, PPT, or TIF) will be merged into a single PDF for review; however, a single PDF file that contains all the elements of the manuscript, including figures and tables, is permitted for the initial submission - please also include line numbers for the text.
- references in correct order and style. [More](#)
- credit card for [payment](#) of the submission fee for research articles
- a mandatory submission form specific to the manuscript will be generated at submission. Signatures required. [More](#)
- permission to use any previously published figures, including redrawn/adapted figures. [More](#)

#### **AUTHOR'S CHECKLIST FOR REVISED MANUSCRIPTS**

You must have:

- read the decision letter
- a point-by-point response to reviewers' comments
- a redlined, or changes tracked, version of the revised text
- a clean copy text file in DOC or RTF format that will become a PDF merged with the figure files. This will be the PDF that will be published in [Articles in Press](#)
- figure files in [PDF](#), PPT or TIF format. [More](#)
- new files for any files to be replaced for the revision
