

## Joint Meeting of the Missouri and Iowa Chapters

Saturday, September 20, 2014  
Kansas City, Missouri

---

*Integrating the Life Sciences from Molecule to Organism*

Saturday, September 20, 2014  
8:30 am - 5:00 pm

Health Sciences Building  
University of Missouri-Kansas City Hospital Hill Campus  
2464 Charlotte, Kansas City, MO 64110

---

The Iowa Physiological Society (IPS) and the Missouri Physiological Society (MoPS) invite their current and future members to attend a joint meeting of the two societies in charming Kansas City. This exciting meeting will bring together these two Chapters of the American Physiological Society with the primary goal of further uniting physiologists across the two states in enhancing their opportunities to advance the advocacy, the teaching, and the science of Physiology.
