STEERING COMMITTEE ELECTION

The Nominating Committee has proposed candidates for Section Chair and for Section Councilor, the two Steering Committee positions that will be open this Spring. Please mark and return the enclosed ballot before March 31 to Dr. Barbara Horwitz at the address shown on ballot.

FASEB, 1991—EVENTS TO NOTE

Reminder: Be sure to attend the Section Business Meeting and Breakfast to be held on April 23, 7:30 a.m., at the Marriott Marquis. The program will include recognition of the Young Investigator Award winners: J.C. McDermott (Dalhousie Univ.) for the paper "Lactate transport into skeletal muscle membrane vesicles" (with A. Bonen) and C.S. Stump (Univ. Ariz.) for the paper "Increased muscle responses to insulin for glucose uptake and metabolism in rats after hindlimb suspension" (with T.W. Balon and C.M. Tipton). In addition, Dr. Robert E. Johnson, will receive the Section's Honor Award for his contributions to environmental/exercise physiology. Proctor and Gamble, the Quaker Oats Company, and the Gatorade Sports Science Institute share in underwriting these awards. Tickets may be purchased at a cost of $10.00 each (checks made out to the American Physiological Society) from:

Dr. David Robertshaw  
Dept. of Physiology  
Cornell University  
Veterinary Research Tower 725  
Ithaca, NY 14853-6401

The History Interest Group will hold a luncheon meeting at noon, Wednesday, April 24, where Dr. Steven Horvath will speak on "The Harvard Fatigue Laboratory." The luncheon will be held at the Omni Hotel and will cost $22.25. Tickets can be purchased in advance by sending a check payable to the American Physiological Society and a self-addressed stamped envelope to:

Dr. Daniel L. Gilbert, Secretary  
APS History Interest Group  
10324 Dickens Avenue  
Bethesda, MD 20814  
Telephone: (301-496-3204)

Tickets may also be purchased until 12:00 P.M. on Monday, April 22, at the FASEB registration desk.

APS Conference: The Integrative Biology of Exercise

Plans are moving along for this APS specialty meeting. Organized by Dr. Peter Wagner, the meeting is scheduled to begin on the afternoon of Wednesday, September 23, 1992, and to end on Saturday evening, September 26, 1992. The three and a half day conference will include 14 symposia and six tutorial sessions, an award for the best graduate student presentation (hopefully in the form of travel reimbursement to the meeting) and on Monday, September 27, a trip up Pike's Peak. The banquet speaker will be Sir Roger Bannister. To be co-sponsored by the American College of Sports Medicine, the conference will be held at Colorado Springs, Colorado.

The Hypoxia Interest Group will meet from 12 to 1 p.m. on Tuesday, April 23, in Room 253 of the Convention Center. Dr. J.T. Sylvester will speak on "Vasodilatory Responses to Hypoxia in the Pulmonary Circulation." Bring your own lunch!
