Total received	933	736
Transferred to other societies and intersociety	219	221
Received from other societies(including intersociety on endocrines)	56	82
Number of sessions programmed by APS (including intersociety on endocrines)	79	75
APS simultaneous sessions	7	7

Note: The ruling of requiring a member to be one of the authors reduced the number of APS abstracts by 21%.

DUES NOTICES

Members will be receiving dues notices for the year July 1964 to July 1965. Please send separate checks for dues and do not combine payments for journals or other material you may be ordering from the Society or the Federation. Dues payments are to be sent to the APS Central Office whereas subscriptions to journals are to be sent to the Federation Business Office. Members are no longer required to subscribe to one of the Society's journals. Journal subscriptions run from January to January but dues run from July to July.
