

NOTICES

The Society has on hand an excess number of copies of certain publications. We wish to reduce our inventory and offer the following at a special price.

The History of the American Physiological Society -
Third Quarter Century, 1937-1962 - W. O. Fenn, 1963.
Original price \$4.95. Sale price \$2.50.

Some Founders of Physiology - C. D. Leake, 1956.
Original price \$3.00. Sale price \$1.50.

The Central Office of the Society is still trying to obtain a complete set of all APS publications. We have copies of all publications except some issues of the American Journal of Physiology. The following are needed to complete our set of AJP.

Vols. 51 thru 66 (Feb. 1920 thru Nov. 1923)
Vols. 95 thru 99 (Jan. 1931 thru Feb. 1932)

If any person has duplicate copies of the above or has no further personal use for them the Society would be greatly pleased to have them. Perhaps a retired member would like to contribute these issues to the Central Office.
