PROPOSALS FOR MEMBERSHIP

Council has changed the mechanism for submitting proposals for regular as well as associate membership in the Society. The one original proposal (on form supplied by the APS office) must now be accompanied by 7 (seven) photocopies (not carbons). The original letters from the sponsors must also be accompanied by seven photocopies. This enables the office to supply each member of the Membership Committee with a complete set of material pertaining to each proposal. The closing dates for proposals of candidates are July 1 and February 1 in order to be considered for nomination by Council at the subsequent Fall and Spring meetings respectively.

RULES FOR HONORARY MEMBERSHIP

A member or group of members may propose to Council the name of a well-known foreign physiologist for Honorary Membership in the APS. Some criteria for Honorary Membership are:

1. Stature as a physiologist in his own country.
2. Functioning in America in some degree or by virtue of training people from America.
3. Relationships to International Congresses and receiving honorary degrees from universities in his own country.

The current Honorary Members of APS are:

Adrian, E. D. - England
 Bremer, F. - Belgium
 Eccles, J. C. - formerly of Australia
 Granit, R. - Sweden
 Hess, W. R. - Switzerland
 Hill, A. V. - England
 Hodgkin, A. - England
 Houssay, B. A. - Argentina
 Hurtado, A. - Peru

Kato, G. - Japan
 Kuno, Y. - Japan
 Monge, C. - Peru
 Moruzzi, G. - Italy
 Roughton, F. J. W. - England
 Ussing, H. H. - Denmark
 von Frisch, K. - Germany
 Weber, H. H. - Germany
