

AMERICAN PHYSIOLOGICAL SOCIETY ENDOWMENT FUND

Established in 1977 to
Support programs for the development of
physiologists and physiology
Encourage communication with other disciplines
of science and the public
Foster scientific and cultural relations
with other parts of the world

The illustration above is a miniature reproduction of a bronze plaque being cast to hang in the APS Bethesda Office. Not shown are the individual shingles at the bottom of the plaque bearing the name of each living or deceased physiologist or other individual in whose memory the Endowment Fund is maintained. To date, the names of John F. Perkins, Jr. and Caroline tum-Suden have been so honored.

The APS Endowment Fund was established to encourage tax deductible contributions or bequests to the Society at any time and in any amount, for specific or general purposes. Upon request, the Society will provide to a donor or institution contributing a memorial gift a replica of the plaque bearing the name of the individual living or deceased in whose honor the gift was made. The family of, or the individual being honored by a donation to the fund will be advised formally of the donors name, unless the contributor specifically requests that the donation be anonymous.

Donations to the APS Endowment Fund or queries should be addressed to the fund at 9650 Rockville Pike, Bethesda, Maryland 20014.
