

G. D. Searle & Company has appointed APS member **Timothy S. Gaginella** as Director of GI Biology/Biochemistry. Dr. Gaginella was formerly in the Department of Internal Medicine at Ohio State University.

**Charles Edwards**, Ph.D., special assistant to the director of Intramural Research, NIDDK, has assumed the position of associate dean for research and graduate studies in the College of Medicine at the University of South Florida.

APS member **Scott Powers**, Ph.D., Ed.D., has moved from Louisiana State University, Baton Rouge, to the University of Florida, Center for Exercise Science.

The new Secretary of the U.S. Department of Health and Human Services is **Louis W. Sullivan**, who has been a member of APS since 1962. He was president of More-

house School of Medicine in Atlanta and prior to that he was professor of medicine at physiology at Boston University School of Medicine.

APS member **Humberto Fernandez-Moran**, M.D., Ph.D., A. N. Pritzker professor of biophysics, has been appointed scientific advisor of the Embassy of Venezuela in Berne, Switzerland.

**Hugh E. Huxley**, Ph.D., Sc.D., professor of biology at Brandeis University, has been appointed director of the University's Basic Medical Sciences Research Center.

The Council for International Exchange of Scholars has announced that nearly 1,000 scholars, academics, and professionals have received awards under the Fulbright Scholar Program to travel, lecture, consult, and conduct research abroad in 1988-89. **Ralph A. Nelson**, M.D., Ph.D., chairman of medicine at the University of Illinois, Urbana-Champaign, will be a Fulbright scholar in Morocco.

**Positions Available**

There is a \$25 charge per issue for each position listed. A check or money order payable to the American Physiological Society must accompany the copy. Purchase orders will not be accepted unless accompanied by payment. Ads not prepaid will not be printed. Copy must be typed double-spaced and limited to 150 words. All copy is subject to the editorial policy of *The Physiologist*. EOAAE indicates Equal Opportunity/Affirmative Action Employer and appears only where given on original copy. Copy deadline: copy must reach the APS office before the 15th of the month, 2 months preceding the month of issue (e.g., before February 15 for the April issue). Mail copy to APS, 9650 Rockville Pike, Bethesda, MD 20814.

**People and Places** notices come almost exclusively from information provided by members and interested institutions. To ensure timely publication announcements must be received at least *three months* (by the 5th of the month) before the desired publication date. Send all information to Martin Frank, Editor, *The Physiologist*, APS, 9650 Rockville Pike, Bethesda, MD 20814.

POSITIONS AVAILABLE

**Faculty Positions in Cell/Systems Physiology.** The Department of Physiology of the University of Puerto Rico Medical School has three tenure-track positions available July 1989. Rank will be commensurate with experience. Minimal requirements include postdoctoral training and the potential to develop an active research program and participate in the teaching of physiology to medical and graduate students. Teaching may be in either English or Spanish. Interested persons should send a curriculum vitae, reprints, statement of research interests, and the names of three references to: Dr. Susan Opava-Stitzer, Chair, Department of Physiology, University of Puerto Rico School of Medicine, GPO Box 5067, San Juan, Puerto Rico 00936. Women and members of minority groups are encouraged to apply.

**Temporary appointment for Research Assistant as Project Manager** for German D-2 space shuttle mission flying in 1992. Ph.D. or M.S. in life sciences or bioengineering. Two years experience in autonomic cardiovascular research, preferably with human subjects. For complete job description contact Dr. Dwain Eckberg, Cardiovascular Physiology, V.A. Medical Center, 1201 Broad Rock Blvd., Richmond, VA 23249. Women and minorities are encouraged to apply. [EOAAE]
