

Signal Transduction and Gene Regulation

November 17–20, 1993
San Francisco, California

Wednesday, November 17	Thursday, November 18	Friday, November 19	Saturday, November 20
2:00–8:00 pm Registration	9:00 am–Noon Morning Symposium Signaling via G Proteins I Chair: Craig C. Malbon	9:00 am–Noon Morning Symposium Growth Factors, Tyrosine Kinases, and Regulation I Chair: John C. Cambier	9:00 am–Noon Morning Symposium Mechanisms of Gene Regulation Chair: Gary L. Johnson
7:00–8:00 pm Evening Lecture Henry R. Bourne	12:30–2:00 pm Poster Defending	12:30–2:00 pm Poster Defending	2:00–5:00 pm Afternoon Symposium Sino-American Session New Strategies for Molecular Studies of Regulation Chair: Craig C. Malbon
8:00–9:00 pm Opening Reception	2:00–5:00 pm Afternoon Symposium Signaling via G Proteins II Chair: Gary L. Johnson	2:00–5:00 pm Afternoon Symposium Growth Factors, Tyrosine Kinases, and Regulation I Chair: C. Ronald Kahn	
	5:15–6:15 pm Evening Lecture Ronald M. Evans	7:00–8:00 pm Reception 8:00–9:00 pm Dinner 9:00–10:00 pm Banquet Lecture James M. Wilson
