Bastyr University
Job Title: Core Faculty - Physiology (#19-053CA)

https://bastyr.edu/about/jobs/opportunities/core-faculty-physiology-19-053ca-19-053ca

Bastyr University, a private regionally accredited institution, is accepting applications for a faculty position in the Department of Nutrition and Basic Sciences in the School of Natural Health Arts and Sciences at its San Diego, California campus. Instructional duties and responsibilities include physiology, research design, and possibly neuroscience. The successful applicant will be expected to collaborate with both basic science and clinical faculty in the delivery of a systems-based integrated medical curriculum and use innovative instructional methods in lab and lecture.

Qualifications:
Candidate must have a Ph.D. in Physiology or a related field. Preference will be given to candidates with demonstrated excellence in teaching medical students and a strong commitment to mentoring.

Review of applicants will begin immediately and continue until the position is filled. The position will begin on December 1, 2019. Salary range $61,401.41 - $81,093.24 working 40 hours per week. Ranking dependent on qualifications and experience. Preference will be given to candidates previously ranked as an assistant or associate professor at a regionally accredited institution. Interested persons should refer to job #19-053CA when submitting a formal employment application, letter of interest, curriculum vitae, description of teaching philosophy and experience plus three references with contact information to jobs@bastyr.edu.
Bastyr University offers a comprehensive benefits and competitive compensation package. EEO.

Our faculty and staff are committed to achieving our mission by educating students to be future leaders in the natural health arts and sciences. Bastyr University promotes a work environment that allows students, faculty, and staff to develop their interests and talents while experiencing a sense of community and a commitment to diversity.

Bastyr University is an equal opportunity institution. We do not discriminate in matters of employment or participation in programs, services or benefits on the basis of gender, race, creed, color, religion, national origin, age, sexual orientation, gender identification or expression, individuals with disabilities, genetic information, or veteran status. Our programs, services, and facilities are accessible to individuals with disabilities. Please contact the university in advance if you require special accommodation due to a disability.

Special Note: All applicants must prove authorization to work in the United States at the time of a position offer. Individuals must be able to perform the essential functions of the job, with or without reasonable accommodation. Any applicants requiring special assistance during the application process should contact the Human Resources department by phone (425) 602-3087 or fax (425) 602-3058 or email jobs@bastyr.edu.
