**Assistant Professor of Exercise Science**

The Department of Exercise Science in the Congdon School of Health Sciences at High Point University is currently accepting applications for an Assistant Professor with content expertise in Human and Exercise Physiology. The position is a 9-month tenure-track appointment.

High Point University is an Equal Opportunity Employer committed to excellence through diversity; therefore, we encourage applications from historically underrepresented groups, veterans, and individuals with disabilities.

**Responsibilities:** 1) Teaching with primary focus in undergraduate Human Physiology and Exercise Physiology lecture and lab courses as well as secondary focus in other areas within the exercise science curriculum; 2) developing and maintaining a research agenda; and 3) engaging in service to the university, college, department, profession and community.

**Qualifications and Experience:** Qualified applicants must possess: 1) an earned doctorate in Exercise Science, Kinesiology, Exercise Physiology, or a related field. ABDs near completion will be considered; 2) potential for excellence in teaching; 3) potential to establish a research agenda and peer-reviewed publications; 4) potential to support undergraduate research; 5) effective interpersonal communication skills; and 6) a willingness to embrace working in an inter-disciplinary atmosphere.

**About the Department:** Exercise Science is one of 4 departments in the Congdon School of Health Sciences and offers a BS degree in Exercise Science. The curriculum offers concentrations in Biomechanics, Exercise Physiology, and Health & Wellness. The department currently has 11 full-time faculty and approximately 350 undergraduate majors. The department also shares state-of-the art laboratory space in the Human Biomechanics and Physiology Laboratory (http://www.highpoint.edu/healthsciences/the-human-biomechanics-physiology-lab/).

**About the University:** High Point University’s 320-acre campus is located in High Point, NC and is part of the larger Piedmont Triad metropolitan area. The U.S. News & World Report Edition ranks HPU #1 among all regional colleges in the South (the seventh consecutive year at #1). It also ranks HPU for the fourth consecutive year as the #1 Most Innovative Regional College in the South for innovative improvements in terms of curriculum, faculty, students, campus life, technology or facilities. Further information about the university can be found at: http://www.highpoint.edu

**Formal Application Process:** Please send cover letter, curriculum vitae, teaching philosophy, research interests, and full contact information for three academic references to the High Point University employment portal http://www.highpoint.edu/administration/employment-opportunities/ All documents should be uploaded as a single PDF document in the application. For additional inquiries, please contact Dr. Matt Kuennen (Search Committee Chair) at 336.841.4541 or mkuennen@highpoint.edu. The review process will begin immediately and continue until the position is filled. Start date for this position is August 2020. High Point University is an Equal Opportunity Employer. High Point University does not sponsor H1B Visa applications for new faculty.
