Position Title: Visiting Assistant Professor

Department: Health and Human Physiological Sciences

Job Summary:
Skidmore College invites applications for a full-time, one year faculty replacement position in the Health and Human Physiological Sciences Department for the academic year 2020-2021. The college encourages candidates from under-represented groups and individuals who have demonstrated experience with diverse populations who can contribute to the diversity and excellence of the academic community through their research, teaching, and/or service to apply. Qualifications: A Ph.D. is preferred (A.B.D. considered); prior teaching experience is desired. The successful candidate will be able to teach several courses from among the following: exercise physiology, exercise physiology lab, exercise testing and prescription, and human anatomy lab. Collaborative research opportunities will be available and encouraged. Additional responsibilities may include advising senior thesis projects. The successful candidate will join an energetic and collegial department that is passionate about teaching and deeply engaged with research.

Skidmore is a liberal arts institution of approximately, 2,450 students, with 22% students of color, and 259 full-time faculty members, located in upstate New York. Enthusiasm for teaching a diverse population of students is essential.

Minimum Qualifications: A.B.D. considered

Preferred Qualifications: Ph.D.

Special Instructions to Applicant: For full consideration, please submit online your faculty profile, curriculum vitae, a brief description of teaching experience and graduate transcripts. Additionally, the application system will prompt you to submit three email addresses for letters of recommendation addressed to Dr. T. H. Reynolds, Chair, Health and Human Physiological Sciences. All referees will be emailed once you’ve completed the application process.

Interfolio Users: visit your account to acquire email addresses from Interfolio to enter into our application system for your referees.

All documents must be attached through the online application system to complete the application process. If using original transcripts from and educational institute, please re-scan them to remove watermarks before attaching which will eliminate error messages when attaching the file.
