Position Description
The Department of Biological Sciences at Tarleton State University in Stephenville, Texas invites qualified applicants to apply for a position as a full-time (9-month), tenure-track Assistant Professor beginning in Fall 2020. This position will support programs in Biology and Biomedical Science. The successful applicant will be responsible for teaching lower and upper division courses, as well as graduate courses, in biology, ichthyology and animal physiology, including courses in their area of expertise. Additionally, an active research program, supervision of undergraduate and graduate student research, academic advising and professional service are required as outlined in the Tarleton State University Faculty and Administrative Staff Handbook at www.tarleton.edu.

Qualifications
A Ph.D. in physiology, ichthyology or related field is required. ABD status may be considered at time of application as long as all degree requirements, including dissertation, defense of dissertation, and comprehensive examinations, will be successfully completed by May 31, 2020.

Priority consideration given to applications received before March 1, 2020.

Preference will be given to individuals with a background in comparative/evolutionary physiology, ecological and environmental physiology, gene expression, developmental biology, disease processes and/or toxicology using fish model systems.

Application
Applications only accepted on-line at https://jobs.tarleton.edu. Please reference job requisition: R-027224.
Documents required: Completed online application, cover letter, resume/CV, three professional references with complete contact information, and all transcripts (Unofficial will be accepted and are required with application. Official transcripts must be received directly from each degree-granting institution prior to a letter of appointment issued.)

Tarleton State University, a member of The Texas A&M University System, provides a student-focused, value driven educational experience marked by academic innovation and exemplary service, and dedicated to transforming students into tomorrow's professional leaders. With campuses in Stephenville, Fort Worth, Waco, Midlothian and online, Tarleton engages with its community to provide real-world learning experiences and to address societal needs while maintaining its core values of integrity, leadership, tradition, civility, excellence and service.

EEO statement
Tarleton State University is an Equal Opportunity/Affirmative Action/Veterans/Disability Employer. As a member of The Texas A&M System, Tarleton will provide equal opportunity for employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation or gender identity and will strive to achieve full and equal employment opportunity through The Texas A&M System.
