Faculty Position in  
Cardiac and Skeletal Muscle Pharmacology  
Department of Pharmacological and Pharmaceutical Sciences  
College of Pharmacy, University of Houston

The Department of Pharmacological and Pharmaceutical Sciences at the University of Houston is accepting applications for a tenure-track faculty position in Pharmacology at the Assistant/Associate Professor level. The search is focused on adding expertise in cardiac and skeletal muscle physiology/pathophysiology/pharmacology along with other areas of cardiovascular biology relevant to drug discovery/development.

The University of Houston is a Carnegie-Designated Tier 1 public research university and also a member institution of the world-renowned Texas Medical Center which houses major academic research programs in cancer, genetics, and neuroscience with a major focus on translational research. The college and department recently moved into a new state-of-the-art building with exceptional research facilities and teaching resources. The successful candidate will be provided lab space and receive a start-up package commensurate with his/her qualifications. Department faculty members teach in the Pharm.D. professional program and Ph.D. programs in Pharmacology.

Houston is an international and multicultural city, and the University reflects this diversity. The University is a designated Hispanic Serving Institution and has been recognized as one of the most racially and ethnically diverse research institutions in the nation. We welcome candidates whose experience in teaching, research, or community service has prepared them to contribute to our commitment to diversity and excellence. The University of Houston is responsive to the needs of dual-career couples.

Eligible candidates must have earned a doctoral degree, have postdoctoral experience, an excellent publication record, and a strong track record for establishing and maintaining an excellent extramurally-funded research program.

Applications will be accepted until the position is filled, although an early application is recommended. Interested individuals should submit a cover letter describing their interest in the position, statement of research interest, statement of teaching philosophy, curriculum vitae, and the names of three references with postal and email addresses, telephone and fax number. Please apply online at http://www.uh.edu/human-resources/careers/

The University of Houston is an Affirmative Action/Equal Opportunity employer. Minorities, women, veterans, and person with disabilities are encouraged to apply. The University of Houston is responsive to the needs of dual career couples. We welcome candidates whose experience in teaching, research, or community service has prepared them to contribute to our commitment to diversity and excellence.
